

**Journal of Histopathology and Cytopathology**  
Official Organ of Bangladesh Academy of Pathology  
Vol 3, No 2, July 2019

| <i>Contents</i>   | Page |
|---|------|
| <b>Editorial</b>  |      |
| <b>Pathology Course in MBBS Curriculum</b><br>Rahman MZ   | 73   |
| <b>Original Contributions</b>   |      |
| <b>Classification of Membranoproliferative Glomerulonephritis According to New Evolving Classification System by Using Immunofluorescence Technique</b><br>Rahman DA, Asaduzzaman, Saleheen S, Sultana S, Banu SG                             | 76   |
| <b>Cytogenetic Pattern in Adult Patients with <i>de novo</i> Acute Myeloid Leukaemia: a Single Center Study in Bangladesh</b><br>Baqi SA, Munmun UK, Khan MR, Shah MS, Islam S, Rahman F, Aziz MA, Begum M                                    | 86   |
| <b>The Incidental Findings of Thyroid Neoplasms in 200 Sequential Autopsies in Dhaka Medical College</b><br>Awal N, Dewan RK, Ray S, Ferdous JN   | 93   |
| <b>Analysis of the Diagnostic Value of Cytological Smear Method Versus Cell Block Method in Pleural Effusion Fluid of Suspected Lung Cancer Patients</b><br>Ray S, Zinnah SA, Awal N, Hassan I, Dewan RK, Jeba R, Hussain M                   | 99   |
| <b>Concurrent Core Needle Biopsy with Fine Needle Aspiration Biopsy in The Diagnosis of Palpable and Clinically Suspicious Breast Lesions</b><br>Sharmin S, Dewan MR, Jinnah SA, Sharmin R, Runa NJ, Ambiya AS, Rahman N, Afrin SS, Hussain M | 107  |
| <b>Ultrasound Guided Fine Needle Aspiration Cytology and Histopathology in the Diagnosis of Ovarian Mass</b><br>Ahmed NU, Saha NK, Bhowmik DK, Mazumder AR, Shariar S, Hira AD, Keya SA   | 117  |
| <b>Study of Ovarian Tumours: Histomorphological Types</b><br>Ansari M, Khan AH, Hossain S, Khanom F   | 125  |
| <b>The Role of Special Stains in Trephine Biopsy of Lymphoma</b><br>Yesmin I, Begum F, Yunus A, Kabir AL, Baqui MN  | 134  |
| <b>Histopathological Pattern of Central Nervous System Infection: Experience of 61 cases at Referral Neuroscience Hospital in Bangladesh</b><br>Huq N, Haque ME, Jahan N, Yusuf MA, Baqui MN, Rozhana S, Shirin S, Islam MN                   | 143  |
| <b>Review Article</b>   |      |
| <b>Is Histopathological Examination Essential for the Diagnosis of Psoriasiform Dermatitis?</b><br>Kabir AN, Rahman MM  | 151  |
| <b>Case Reports</b>   |      |
| <b>Coexistence of Primary Tuberculosis and Metastatic Ductal Carcinoma in Axillary Lymphnode: Report of a Rare Case</b><br>Hossain MI, Sadaf A, Sultana N, Khan AS  | 162  |
| <b>Multilocular Cystic Nephroma in an Adult Patient: A Case Report</b><br>Islam F, Begum A, Kamal M   | 167  |
| <b>Mesenteric Cystic Lymphangioma - Case Report</b><br>Nazrin MS, Rahman DS   | 172  |
| <b>Information for Contributors</b>   | 175  |
