

## Bangladesh Academy of Pathology (BAP)

---

**21 March 2024**

Dear Members of BAP,

I feel honored to inform you that I have been given the responsibility of Election Commissioner by the Bangladesh Academy of Pathology. Dr. Shabnam Akhter and Dr. Bishnu Pada Dey will assist me as the member secretary and member respectively.

I would like to declare, **26 April 2024** as the date of seventh election of BAP, which is also the date for general meeting of the members. The time and venue of the election will be communicated shortly.

To complete the total election procedure in time and make BAP functioning with its executive committee, the election commission has made the following decisions:

1. Each member can elect maximum of eight (8) councilors from the previously elected councilors and maximum of ten (10) councilors from the new candidates.
2. All the proposed names for councilor, who will give their consent, will be put for vote on that day.
3. Eight councilors who will be elected from the previous elected quota, the name will be omitted from the general quota.

I expect your active participation and co-operation to make the election successful.

Thanking you,

Prof. Dr. Ashim Ranjan Barua  
Election Commissioner, BAP 2024
