

## Bangladesh Academy of Pathology (BAP)

---

From the Office of Election Commission  
24<sup>th</sup> April, 2024

**Dear members of BAP,**

Please read through the following text as it contains important information regarding your participation in the election.

1. The election commission office has found a total of 20 candidates who are eligible for the upcoming election. Out of these 20 candidates, seven candidates are previously elected councilors, i.e., members of the existing executive committee. They are - Shamim Akhter Mimi, Raquibul Hasan Kazal, Zubaida Bahroon Khan, Mohammed Imran Hasan, Subrata Roy, Muhammad Mahbulul Haque, Prasun Biswas.

Since there are only seven candidates for the eight councilors to be elected from the previous elected quota, they are considered already elected. There will be no election for the previous elected quota and their names will be omitted from the ballot.

2. As there is a shortage of one councilor from the previous elected quota, there will be an election for eleven councilors in the general quota out of the remaining thirteen candidates.
3. The BAP election will take place at Bangamata Sheikh Fazilatunnesa Mujib Convention Hall, Shahbag, Dhaka on 26<sup>th</sup> April 2024 from 9.30 am to 3.30 pm.
4. The voters are requested to bring one photo ID (National ID card/Smart card / Passport).
5. Each voter is required to elect exactly eleven candidates. If the ballot contains more or less than eleven, it will not be considered valid.
6. All voters are requested to come on time and participate peacefully and respectfully.

Thanking you,

Prof. Ashim Ranjan Barua  
Election Commissioner

Bangladesh Academy of Pathology
