

International Conference on Pathology | 7th-9th November 2025

Integration Between Diagnostics and Therapeutics: the Challenges in Bangladesh

- 7th November 2025 (Friday): Shaheed Abu Sayed Convention Hall, Minto Road, Opposite to Hotel Intercontinental, Dhaka-1000, Bangladesh.
- 8th-9th November 2025 (Saturday and Sunday): Conference Hall, Superspecialised Hospital BMU, Dhaka, Bangladesh

Organized by: Department of Pathology, BMU

In collaboration with: Royal College of Pathologists, UK

Supported and patronized by: Bangladesh Academy of Pathologists and BMU Pathology Department Alumni Association

Conveners

Professor Mohammad Zillur Rahman, M Phil, PHD, Chairman, Department of Pathology, BMU

Professor Amin Islam, FRCP, FRCPath, The Royal college of Pathologist United Kingdom, Southeast Asia, Bangladesh Country Advisor, Senior Consultant Haematologist, MSE National Health Services, Essex, UK

Registration Fee

Resident: 1000 BDT

Post Graduate Pathologist/ Medical Officer/ Lecturer: 1500 BDT

Assistant Professor/ Junior Consultant: 2000 BDT

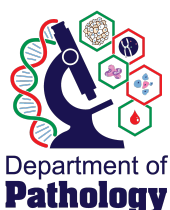

Associate Professor/ Senior Consultant: 3000 BDT

Professor and Equivalent: 4000 BDT

Foreign Delegate: 50 USD

The Royal College of Pathologists
Pathology: the science behind the cure

Day-01 7th November 2025 Main Auditorium , Shaheed Abu Sayed Convention Hall			
08.00am-08.30am		Registrations	
08.30 am - 08.35 am		Welcome Address	
	Time	Speaker	Topics
Session 01	(08:35am-08:55am): 20 Minutes Discussion 10 minutes	Professor Amin Islam FRCP, FRC Path, RC Path, Senior Consultant Haematologist, NHS, Queen Mary University London, UK.	Integrated Cancer Care, an Unmet Need in Bangladesh, Some Examples
	(09:05am-09:25): 20minutes Discussions 10 minutes	Dr. Mohammad Monowar Hossain, MD; FRCPC. Saint John regional hospital (SJRH), Canada	WHO classification of Central Nervous System Tumours; Molecular Profiles and Grading by IHC
	(09:35am-10:05am): 30 Minutes Discussion 10 minutes	Professor MB Zaman, MD, FACP Rtd Professor of Pathology, New York Medical college, USA	The Keynote Speech Current Status of Cancer Diagnosis in Bangladesh “30-year chronicle”
10:15am-10:20am		Concluding Remarks from Chairperson	
10:20am-11:00am		Inaugural Ceremony	
11:00am-11:30am		Tea Coffee Break	
Session 02	(11:30am-11:50am): 20 Minutes Discussion 10 minutes	Prof. Sumeet Gujral MD Tata Memorial Hospital, India	Quality Assurance and Training in Pathology
	(12:00pm-12:20pm): 20 Minutes Discussion 10 minutes	Professor Marta Cohen Vice President Royal College of Pathology UK	Paediatric Gastrointestinal pathology, the complexity, and the roles of IHC molecular pathology
	(12:30pm-12:50pm): 20 Minutes Discussion 10 minutes	Dr AKM Shamsul Alam, MPhil; PhD; Dip, RCPath; European Board certified. Consultant Histopathologist Basildon Hospital MSE NHS Trust UK	“Our practice of Thyroid FNA A UK NHS Trusts perspectives” The Common Pitfalls

13:00-13.10		Concluding Remarks from Chairperson	
13:10-15:00		Prayers and Lunch	
	Time	Speaker	Topics
Session -03	(15:00-15:20): 20 minutes Discussion 10 minutes	Prof. Javed Iqbal Associate Professor, Duke-NUS Medical School and Senior Consultant, dept. of Anatomical Pathology, Singapore General Hospital, Singapore Subject: Letter of Invitation	"Monoclonal gammopathy of renal significance (MGRS): Bangladesh perspective"
	(15:30-15:50): 20 Minutes Discussion 10 minutes	Dr. Rafiq Islam MBBS, MSc, FRCR, MSE NHS Trust UK	Molecular Pathology and target Guided Treatment in lung Cancer, from a Clinical Oncologist perspective
	(16:00-16:20): 20 minutes Discussion 10 minutes	Professor. Humayun K. Islam M.D., Ph.D. Chair and Professor, Pathology, Microbiology, and Immunology New York Medical College	Non-Hodgkin Lymphoma Classification, using essential IHC-panels
	(16:30-16:45): 15 minutes	Professor Marta Cohen Vice President Royal College of Pathology UK,	Strategy and Activities of the Royal College of Pathologist and Global workforce
	(16:45-17:05): 20 minutes Discussion 10 minutes	Professor Daphne de Jong University of Amsterdam the Netherlands	Enforcing Pathology in LMIC setting considering increasingly successful Treatment options
17:15-17:25		Concluding Remarks from Chairperson	
17:25-17:30		Closing Remarks from Convener	

Day 2: 8th November 2025 Lecture Gallery, Super specialized Hospital BMU, Dhaka-1000, Bangladesh			
	(08:30am-8:50am): 20 minutes Discussion 10 minutes	Professor Ferdousy Begum MD(Pathology) Professor, Dept. of Pathology,BMU	Childhood lymphoma - my experience in BMU
	(09:00am-9:20am): 20 minutes Discussion 10 minutes	Professor MB Zaman,	Introduction: Types of soft tissue sarcomas, clinical aspects and statistics

	(09:30am-9:50am): 20 minutes Discussion 10 minutes	MD FACP USA, Rtd. Professor of Pathology, New York Medical college, USA	Fibroblastic and myofibroblastic tumors
	(10:00am-10:20am): 20 minutes Discussion 10 minutes		Fibrohistiocytic tumors.
	10:30am-10:50am): 20 minutes Discussion 10 minutes		Synovial tumours
11:00am-11:10am		Concluding Remarks from Chairperson	
11:10am-11:20am		Tea Coffee Break	
Time		Speaker	Topics
Session-02	(11:20am-11:40am): 20 minutes Discussion 10 minutes	Professor Md. Zillur Rahman MPhil(Pathology),PHD Professor & Chairman Dept. of Pathology, Bangladesh Medical University	Training and Quality Assurance in Histopathology Services at BMU, Establish international collaboration training and innovations
	(11:50pm-12:10pm): 20 minutes Discussion 10 minutes	Professor MB Zaman, MD FACP USA, Rtd. Professor of Pathology, New York Medical college, USA	Peripheral nerve-sheath tumors.
	(12:20pm-12:40): 20 minutes Discussion 10 minutes		Adipose tissue tumors.
	(12:50-13:10): 20 minutes Discussion 10 minutes		Blood vessel tumors.
13:10-13:20		Concluding Remarks from Chairperson	
13:20-15:00		Prayers and Lunch	
Session-03	(15:00-15:20): 20 minutes Discussion 10 minutes	Professor. Sultana Gulshana Banu Professor, Dept. of Pathology,BMU	"Monoclonal gammopathy of renal significance (MGRS): Bangladesh perspective"
	(15:30-15:50): 20 minutes Discussion 10 minutes	Professor MB Zaman MD FACP USA, Rtd. Professor of Pathology, New York Medical college, USA	Smooth Muscle Tumors
	(16:00-16:20): 20 minutes Discussion 10 minutes		Striated muscle tumors.
	(16:30-16:50): 20 minutes Discussion 10 minutes		Tumors of uncertain differentiation and rare soft tissue tumors.

	(16:50-17:10): 20 minutes Discussion 10 minutes		Bone and cartilage tumors.
17:10-17:20		Concluding Remarks from Chairperson	
17:20-17:30		Closing Remarks from Convener	
Day 3: 9 th November 2025 Lecture Gallery, Super specialized Hospital BMU, Dhaka-1000, Bangladesh			
Time	Speaker	Topics	
8:30am-12 noon.	Professor MB Zaman, MD FACP USA, Rtd Professor of Pathology, New York Medical college, USA	Case presentations- 5-10 selected soft tissue tumor; from MGM consultation file, utilizing WSS	
	Dr. Mohammad Monowar Hossain, MD; FRCPC. Saint John regional hospital (SJRH), Canada	Case presentation- 5-8 CNS tumors; where IHC/molecular profiling was essential for prognosis and therapy	
NB: In the unlikely event of a “technical glitch” in slide projection, the time will be devoted to lectures on “Selected topics of special interest”, as listed.			
1. Hereditary Gastro-intestinal Cancer; Enigma of Colon Cancer in Young Adults.			
2. Free Online-Access Medical Education (FOAM); Pathology E-learning Materials.			
3. Artificial Intelligence-search (Google AI) may solve the known-unknowns!			
4. Morphology and IHC can resolve all biopsies of breast and liver; my algorithm!
