

Day-01 7 th November 2025 Main Auditorium, Shaheed Abu Sayed International Convention Centre			
08.00 am – 08.30 am		Registrations	
08.30 am – 08.35 am		Welcome Address	
	Time	Speaker	Topic
Session 01	08:35 am – 09:05 am Presentation 20 Minutes Discussion 10 minutes	Professor Amin Islam FRCP, FRCPath, RCPATH Senior Consultant Haematologist NHS, Queen Mary University London, UK.	Integrated cancer care, an unmet need in Bangladesh, the importance of multidisciplinary team framework – MDT approach
	09:05 am – 09:35 am Presentation 20 Minutes Discussion 10 minutes	Dr Mohammad Monowar Hossain MD, FRCPC Saint John regional hospital (SJRH), Canada	WHO classification of central nervous system tumours; molecular profiles and grading by IHC
	09:35 am – 10:15 am Presentation 30 Minutes Discussion 10 minutes	Professor MB Zaman MD, FACP Rtd Professor of Pathology New York Medical college, USA	The Keynote Speech: Current status of cancer diagnosis in Bangladesh; a 30-year chronicle
10:15 am – 10:20 am		Concluding Remarks from Chairperson	
10:20 am – 11:00 am		Inaugural Ceremony	
11:00 am – 11:30 am		Refreshment Break	
Session 02	11:30 am – 12:00 pm Presentation 20 Minutes Discussion 10 minutes	Professor Sumeet Gujral MD Tata Memorial Hospital, India	Paradigm shift in teaching programmes – our experiences
	12:00 pm – 12:30 pm Presentation 20 Minutes Discussion 10 minutes	Professor Marta Cohen OBE MD, FRCPath, DMJ (Path), Dip Med Ed Vice President Royal College of Pathologists UK	Inflammatory bowel disease, the complexity, and the roles of microbiota and molecular pathology
	12:30 pm – 01:00 pm Presentation 20 Minutes Discussion 10 minutes	Dr AKM Shamsul Alam MPhil, PhD, Dip RCPATH European Board certified Consultant Histopathologist Basildon Hospital, MSE NHS Trust UK	Correlation of the results of FNAC of thyroid nodules with the subsequent histopathology on resection specimens; a retrospective study
01:00 pm – 01:10 pm		Concluding Remarks from Chairperson	
01:10 am – 03:00 am		Lunch Break	

Session 03	03:00 pm – 03:30 pm Presentation 20 Minutes Discussion 10 minutes	Dr Javed Iqbal MD, PhD Associate Professor, Duke-NUS Medical School and Senior Consultant, Dept. of Anatomical Pathology, Singapore General Hospital, Singapore	Building quality and equity in precision medicine: A framework for Bangladesh
	03:30 pm – 04:00 pm Presentation 20 Minutes Discussion 10 minutes	Dr Rafiqul Islam MSc, FRCR MSE NHS Trust UK	Molecular pathology and target guided treatment in lung cancer, from a clinical oncologist
	04:00 pm – 04:30 pm Presentation 20 Minutes Discussion 10 minutes	Professor Humayun K Islam MD, PhD Chair and Professor Pathology, Microbiology, and Immunology New York Medical College, USA	Classifying non-Hodgkin lymphoma using essential IHC panel
	04:30 pm – 04:45 pm Total 15 minutes	Professor Marta Cohen OBE MD, FRCPath, DMJ (Path), Dip Med Ed Vice President Royal College of Pathologists UK	Strategy and activities of The Royal College of Pathologists and global workforce
	04:45 pm – 05:15 pm Presentation 20 Minutes Discussion 10 minutes	Professor Daphne de Jong University of Amsterdam, the Netherlands	Enforcing pathology in LMIC setting in light of increasing treatment options
05:15 pm – 05:25 pm		Concluding Remarks from Chairperson	
05:25 pm – 05:30 pm		Closing Remarks from Convener	
06:00 pm – 08:00 pm		Cultural Programme: The Essence of Bangladesh	
08:00 pm – 09:00 pm		Dinner – Bengali Cuisine	

Cultural Evening Preface

As science unites minds, culture unites hearts. On the evening of November 7, 2025, **BMUPATHCON2025** welcomes delegates to a celebration of Bangladesh's artistic spirit through music, poetry, and performance. This cultural evening is a tribute to our nation's creative soul—flowing from the lyrical genius of *Rabindranath Tagore* and *Kazi Nazrul Islam* to the timeless melodies of *Baul tradition*. May this shared experience enrich our fellowship beyond the boundaries of science and strengthen our sense of harmony and identity.

Day-02 8 th November 2025 Shaheed Dr. Milon Hall (Block B)			
	Time	Speaker	Topic
Session 01	08:30 am – 09:00 am Presentation 20 Minutes Discussion 10 minutes	Professor Ferdousy Begum MD (Pathology) Dept. of Pathology, BMU	Childhood lymphoma - my experience at BMU
	09:00 am – 09:30 am Presentation 20 Minutes Discussion 10 minutes	Professor MB Zaman MD, FACP Rtd Professor of Pathology New York Medical college, USA	Introduction: Types of soft tissue sarcomas, clinical aspects and statistics
	09:30 am – 10:00 am Presentation 20 Minutes Discussion 10 minutes		Fibroblastic and myofibroblastic tumours
	10:00 am – 10:30 am Presentation 20 Minutes Discussion 10 minutes		Fibrohistiocytic tumours
	10:30 am – 11:00 am Presentation 20 Minutes Discussion 10 minutes		Synovial tumours
11:00 am – 11:10 am		Concluding Remarks from Chairperson	
11:10 am – 11:20 am		Refreshment Break	
Session 02	11:20 am – 11:50 am Presentation 20 Minutes Discussion 10 minutes	Professor Md Zillur Rahman MPhil (Pathology), PhD Chair, Dept. of Pathology, BMU	Training and quality assurance in Histopathology Services at BMU: Building international collaboration, training and Innovation
	11:50 am – 12:20 pm Presentation 20 Minutes Discussion 10 minutes	Professor MB Zaman MD, FACP Rtd Professor of Pathology New York Medical college, USA	Peripheral nerve-sheath tumours
	12:20 pm – 12:50 pm Presentation 20 Minutes Discussion 10 minutes		Adipose tissue tumours
	12:50 pm – 01:20 pm Presentation 20 Minutes Discussion 10 minutes		Blood vessel tumours
01:20 pm – 01:30 pm		Concluding Remarks from Chairperson	
01:30 am – 03:00 am		Lunch Break	

Session 03	03:00 pm – 03:30 pm Presentation 20 Minutes Discussion 10 minutes	Professor Sultana Gulshana Banu MD (Pathology) Dept. of Pathology, BMU	Monoclonal gammopathy of renal significance (MGRS): Bangladesh perspective
	03:30 pm – 04:00 pm Presentation 20 Minutes Discussion 10 minutes	Professor MB Zaman MD, FACP Rtd Professor of Pathology New York Medical college, USA	Smooth muscle tumours
	04:00 pm – 04:30 pm Presentation 20 Minutes Discussion 10 minutes		Striated muscle tumours
	04:30 pm – 05:00 pm Presentation 20 Minutes Discussion 10 minutes		Tumours of uncertain differentiation and rare soft tissue tumours
	05:00 pm – 05:30 pm Presentation 20 Minutes Discussion 10 minutes		Bone and cartilage tumours
05:30 pm – 05:40 pm		Concluding Remarks from Chairperson	
05:40 pm – 05:50 pm		Closing Remarks from Convener	

Day-03 9 th November 2025 Auditorium (Block A)		
Time	Speaker	Slide Seminar
08:30 am – 10:00 pm	Professor MB Zaman MD, FACP Rtd Professor of Pathology New York Medical college, USA	Case presentation: 5-10 selected soft tissue tumour; utilizing WSS
10:00 am – 10:30 am	Refreshment Break	
10:30 am – 12:00 pm	Dr Mohammad Monowar Hossain MD, FRCPC Saint John regional hospital (SJRH), Canada	Case presentation: 5-8 CNS tumours; where IHC/molecular profiling was essential for prognosis and therapy
NB: In the unlikely event of a “technical glitch” in slide projection, the time will be devoted to lectures on “selected topics of special interest”, as listed below. 1. Hereditary gastro-intestinal cancer; enigma of colon cancer in young adults. 2. Free online-access medical education (FOAM); pathology e-learning materials. 3. Artificial intelligence-search (Google AI) may solve the known-unknowns! 4. Morphology and IHC can resolve all biopsies of breast and liver; special algorithm by Prof MB Zaman!
